

# The Autonomous AI Infra Platform

## 1. WHO WE ARE:

SwarmOne is the only **Autonomous AI Infrastructure Platform for Training and Inference**. Already deployed in enterprises.

## 2. THE PROBLEM:

AI infrastructure today is **complex, costly, and slow** - setup takes hours or days, **wasting time, money, and resources**.

## 3. THE SOLUTION:

SwarmOne autonomously handles everything real-time - from workload analysis to scheduling and hardware optimization.

**This isn't just another AI tool - it's the end of AI infrastructure as a problem.**

## 4. DEPLOYMENT OPTIONS:

Bring Your Own **Compute** -  
Install SwarmOne anywhere

Bring Your Own **Cloud** -  
Handles live provisioning with your credentials

**SwarmOne Managed** - **30+** GPU providers

**No need for DevOps, MLOps, SecOps or FinOps in the loop**

AI tools you already use

## With SwarmOne:

**80%+** savings - avg. \$200K/year per team

**100%** of data scientists time reclaimed

## Without SwarmOne:

**50%** of enterprises stuck on infra hurdles

**87%** of AI projects stall

## Your Competitive Advantage:

**Max Efficiency, Instant ROI** -  
Zero infra delays. ROI in less than a month.

**Lightning-fast setup** -  
Production in minutes. 80+ hours of work? Gone.

**No-code Studio** -  
Empower non-technical users to run millions of models.

**Budget with Confidence** -  
Scale AI without surprise costs.

**Ready to run AI at the speed of thought?**
